→ **FINISHES / TREATMENTS**

We can offer various treatments, machining & finishes to all Birch Plywood products:

- **Machining (Routering, Cutting, Drilling, Shaping)**
- **Fire Retardant**
- **Anti Rot/Fungal**
- **Finishing (Lacquering, Flameproofing, Priming)**
- **Laminating (Melamine, Veneer, HPL, Metal)**
- **Scarf Jointing, Jointing & Profiling**

We can machine to specific drawings on both bulk and smaller volume components. Please enquire to discuss any of the above processes.

→ **Samples available on request**

**CERTIFIED PRODUCTS**

Our environmental focus is shared by our key UK & European suppliers, enabling us to offer a wide variety of choice of both FSC & PEFC certified panel products.

The FSC Logo, wherever it appear, identifies products which contain wood from responsibly managed forests independently certified in accordance with the rules of the Forest Stewardship Council.  
Our FSC Chain of Custody No is: CU-CoC-805621  
© 1996 Forest Stewardship Council A.C

The PEFC Chain of Custody certification provides another way of demonstrating that products are legally harvested from sustainably managed forests.  
Our PEFC Chain of Custody No is: CU-PEFC-805621
